## MISSION TRIP PREPARATION INFORMATION

**\*\*PRINT THIS PAGE AND BRING WITH YOU TO Rwanda\*\***

### **BEFORE DEPARTURE:**

- **Get any shots and medications you might need.** The CDC recommends Hepatitis A and an updated Tetanus if necessary. Some clinics advise a series of three Hepatitis B shots, a Typhoid shot, and/or malaria pills. Check with your doctor. **Please put all prescription medication in your carry-on** in case your checked luggage is delayed.
- **Please bring OTC medical supplies for your own use.** If you do not finish your supply, please consider leaving them in Rwanda for use in our clinic.
- **Coordinate with your group leader to collect donations** from our Current Needs List, items specific to projects on your trip, etc.
- **If you can't make the trip**, you must cancel your ticket before the plane is scheduled to depart in order to get any credit for it. Please call your group leader and the Crimson Foundation office (1 770-485-3251) and let us know if you can't make your flight at the last minute. Please do not e-mail Monica at the Crimson office any urgent last minute information since this will not be seen until the office opens. Instead, please call the emergency number on the office answering machine (1 770-485-3251).
- **Wear your Crimson t-shirt when you travel.** This helps the group leader keep track of everyone and allows the driver to identify you upon arrival in Managua.
- We suggest that you **purchase a water bottle at the airport before you depart** so that you will have it for the 2.5 hour bus ride to Chinandega.
- **Turn your cell phone "OFF"** to avoid expensive charges during your visit. We encourage everyone to "unplug" from all electronics during the week.

### **YOU ARRIVE IN RWANDA:**

- **If you arrive with a group**, stay with the group and load the bus after you exit baggage claim.
- **If you arrive on your own**, look a driver holding a sign with your name or a Crimson Foundation representative. If you cannot find either of these, wait for 20 minutes in the airport lobby. If no one arrives, look for the Movistar cell phone stand in the airport lobby. For less than \$1, you can make a phone call to one of these cell phone numbers:
  - Jean De Dieu Nsabimana: +250 7887 55921
  - Cris in Georgia: +1 770-485-3251

### **ON YOUR WAY HOME:**

- **Leave behind** dirty clothes, leftover snacks, medicines, etc. as donations.
- **Post your photos** on the Crimson Facebook page or trip Shutterfly site.
- Consider becoming a **regular Crimson supporter**! Call the office or go online to become a monthly donor or to volunteer: <http://Crimsonfoundation.com>.
- **Plan your trip for next year!**
